Smile Track Club — Expression of Interest Terms & Conditions

Effective from: 1st September, 2026

1. What this is

By submitting this form, you are expressing an interest in Darwin Orthodontics' Smile Track Club. This is not an application, sign-up or commitment to purchase a membership. Submitting your details does not guarantee a place in Smile Track Club or create any obligation on your part or on the part of Darwin Orthodontics.

2. What we collect

When you submit this form, we collect the information you provide, which may include:

- your name and contact details;
- the patient's name and date of birth; and
- any other information requested on the form.

3. How we use your information

The information you provide will be used to:

- contact you about Smile Track Club;
- assess potential suitability for the service; and
- arrange a consultation or baseline appointment where appropriate.

We will not use your information for unrelated marketing purposes without your consent.

4. Privacy

Your personal and health information is handled in accordance with the Darwin Orthodontics Privacy Policy and applicable Australian privacy laws.

5. Suitability and eligibility

Smile Track Club is a remote orthodontic growth-monitoring service for patients who have been assessed by Dr Yann and are not yet ready to commence active orthodontic treatment.

Expressing an interest does not confirm suitability. Eligibility is determined by Dr Yann following a clinical assessment.

6. What happens next

If your expression of interest is progressed, the practice will contact you to discuss the next steps, which may include an initial consultation or baseline appointment.

Before Smile Track Club can be activated, a baseline in-clinic appointment is required. At this appointment, the clinical team may take records including:

- dental and facial photographs;
- X-rays;
- digital intraoral scans.

The clinical team will determine which records are required for each patient. Baseline records are necessary to assess suitability and establish a starting point for remote monitoring.

If accepted into Smile Track Club, membership will be subject to separate Terms & Conditions, which will be provided before activation and payment.

7. No obligation

You are under no obligation to proceed at any stage. If you change your mind or no longer wish to be contacted, please let the practice know and your details will be handled in accordance with the Privacy Policy.

8. Australian Consumer Law

Nothing in these Terms excludes, restricts or modifies any right or remedy available under the Australian Consumer Law or any other applicable law.
